Dear Roar.

On behalf of EFSA Iceland and I personally tank you and the SDSFC, EFSA Norway and the Organising Committee for a very successful Boat & Line Championships held in Tananger August 2012. The Championships were well organised, went flawlessly in an beautiful landscape and surrounding, the boats and their skippers and the boat stewards were excellent and I think most of the competitors were happy about the fishing. Congratulation to you Norwegians winning the Championships for men and ladies in the Boat class and the ladies in the Line class.

We hope to see you all in future EFSA Championships.

Best regards,

Thorir Sveinsson, EFSA Iceland Secretary.
